Tuesday Club July Meeting

For our July meeting we had a guided tour of Sherborne which proved fascinating. We walked less than a quarter of a mile, yet had almost 2 hours of riveting historical facts. Cindy was our guide and her account of times past and present were most amusing.

It is possible to attend Friday afternoon music recitals in the Methodist Church Hall (during term time), when music students from the public schools play as a pre-practice before their music exams the following week.

Around 20 people took part in the tour,
