By the time that you receive the October edition of The Chimes, everyone should have received an up to date flower and cleaning rota for October - April 2019 by e-mail. You will see that I have returned it to a weekly task, as doing it for two weeks running wasn't always working efficiently. I do hope that is OK with everyone.

Thank you and any queries please contact me

Tony Frost aged 86: 1932 to 2018

Tony Frost, A very much loved and respected member of our village, died on the 24th August. He was an Independent Councillor for the area, British Legion Member, Fete Organiser, Parish Councillor, Church member, farmer, gardener and the voice of the Melplash Show for many years.

Over the years he has helped so many people and will be sorely missed. He loved his garden and allotment and always produced his own fruit and vegetables and generously distributed fruit and vegetables amongst his friends in the Village.

Our thoughts are with his large family.

Tuesday Club October Visit

October's visit for the Tuesday Club will be a visit to the South West Deer Rescue Centre at Dunsham Lane, Wayford, Crewkerne TA18 8QN (as you enter Clapton from Crewkerne direction take the first turning on the right)

The centre recently featured on Country File

It is a morning visit for Tuesday 2 October starting at 10.30 am. Following an introductory talk by Mike Gage (the deer whisperer) we will have a conducted tour lasting two hours - seeing Fallow, Axis, Sika, Red, and Muntjac deer amongst the 150 or so deer at the centre. With it being the rutting season perhaps we will see a little more.

The deer are rather partial to carrots and digestive/rich tea biscuits so if you want some good photos come well stocked.

The cost will be £5 per head as the centre runs on donations.

If you would like to attend please notify me on 891847 so I can confirm numbers and don't forget to wear sensible robust footwear.

Corscombe and Halstock Community First Responders

THANK YOU to all who supported the Corscombe Fest, and voted funds to your Responder Team

We have received a generous donation of £493 from the Fest, This gives us a great start on our target of raising

£3000 - we are 16% of the way!

There is a new piece of equipment that will be of immediate benefit to patients who have fallen and cannot get themselves up from the floor. You can see it in operation by visiting the following link, or by putting **Raizer Chair** into a Google search:

<https://www.youtube.com/watch?v=vVrPcxLMF8I>

The kit costs £3,000 (approx) so we are fund raising so that we may purchase this equipment. We hope you will support us as we work towards raising the necessary funds. We will keep you informed on how we are doing.
