in

CORSCOMBE

HALSTOCK

EAST CHELBOROUGH

WEST CHELBOROUGH

A follow-up to the informative talk by the West Dorset County
Ranger when he came in October.

**On Friday 7th December at 7.30pm
at Corscombe Village Hall.**

How can we improve access to our local rights of way
and help more people to enjoy them?

How do we do that while protecting landowners'
stock and crops?

This is a chance to bring your ideas (and grumbles) and help
find ways to promote a happier countryside for all.
