Wanted: Bell Ringers

St Mary's Church on Corscombe is blessed with a splendid set of bells, housed in the Church Tower, which is one of the oldest parts of the building. St Mary's has a peal of 6 bells, ranging from the Treble which weighs some 5 cwt, to the Tenor bell which weights in at 13 cwt. Over the past year a small group of us have been seeking to revive bell ringing in our village church. We were pleased to be able to ring for Christmas Services and also to welcome in the New Year 2016.

However, we are anxious to welcome some new people to join our team. We have both men and women members, ranging in age between teens and seventies. Bell Ringing is fun, and we offer careful tuition and supervision as required; to novices and those who have some experience but whose skills are perhaps a little rusty! Although ringing is not physically hard work, it does offer good exercise, fun and fellowship. Why not consider joining our happy team of Ringers!

If you would like to find out more, or try your hand at bell ringing, please contact me, Team Captain, on 01935 891127
