## Tuesday Club

We all enjoyed the outing to Mottisfont with its beautiful rose garden. It did rain but that didn't spoil the day as we could tour the house or have lunch during that time.

At our next meeting on September 6<sup>th</sup>, we will journey much further afield (at the village hall!!) on a Thailand adventure. Richard Collier will

present slides and give the commentary, as he has previously, so we know it will be an afternoon not to miss.

## First Responders

Have you ever wondered when you are enjoying that wonderful "Big Breakfast", what the money raised goes towards that benefits our local community? I think most people know about "First Responders" and my wife Pat is a responder, but recently we had cause to need their help and it happened in the middle of the night on Monday 20<sup>th</sup> June. Pat had gone to bed the previous evening thinking she had indigestion, however after a lot of discomfort, and concerned that it might be more serious, at 3am she decided to phone for the emergency service. Almost immediately the responders were on the doorstep and believe me when you are in this position just to have someone arrive who can offer some help is beyond adequate words. Soon after a paramedic arrived followed by an ambulance and Pat went to hospital where it was diagnosed she had suffered a mild heart attack.

Now she is home and well on the way to a full recovery, but the responders played their part and were professional, well trained and above all available. This is what, in among a host of other

activities, your buying a breakfast pays for. Without the funds, the volunteers, the equipment, the training and the organization, it could not exist. Since its creation several years ago many people have had the need to be thankful that the responders are there, not least of all myself and Pat, so be mindful when “Big Breakfasts” start again what a dedicated, first class set up your contribution is going to support.

Ian

Tolin.

### **Pat Tolin**

Pat would like to say thank you to everybody who visited her, sent cards and messages of good will, along with books, magazines and gifts of fruit during her stay in Dorchester Hospital, following a mild heart attack, in late June. It was overwhelming how many people took the trouble to get in contact and will always be a reminder of what a wonderful community we live within.

### **Coffee Morning**

This month's coffee morning will be on August 10<sup>th</sup> at 10:30am at Eweleaze Farm, by kind invitation of Beverley Coleberd and family in aid of the village playground and Ladybirds Playgroup. £1 to cover coffee and your usual raffle. Also we will be having a bring and buy, and second hand book stall. All Corscombe residents welcome.

### **Ladybirds Playgroup**

We have now had to say farewell to Alfie, Johnnie, Rosie and Megan and wished them a happy start at the new schools they will be attending in the new school year.

Marie has now finished her Level Three Diploma and we were very proud to hear that she has collected an award for being an “Inspirational Adult Learner” She was one of only four students from a department of over a thousand to have been singled out for an award. She had been determined to retain her very high standards after she qualified with a distinction last year and it seems she has managed to exceed her own very high standards this year.

We are keen to keep developing our standards of care and learning and are due to embark on awards for Healthy Early Years which will fit in very well with our enthusiasm for embracing the outdoors as the best learning environment for young children. We intend to commence in the new school year using our sessions in the woods as an ideal starting point. It is amazing how even the youngest children soon become confident to walk across several fields, and even carry their own back pack!

As we continue to try and add to our resources we would like to put out a plea for any old kitchen equipment to stock our new play kitchen. We would rather use real resources than buy toy plastic equipment. If you have any old pans, whisks, mashers, cutlery, bowls or heavy duty china crockery that are surplus to requirement we would love to give them a good home and let the children use them for their pretend home. We would also love donations of any old lego that might be gathering dust in attics.

We will have spaces in September so if you would like to come and see whether you wish to take up a place for your child at Playgroup and/or Forest sessions at Ladybirds please ring Lindsay on 07845 118177 or 01460 73005.

£1,050 was raised for St Mary's refurbishment fund, a wonderful tribute to the generosity of donors who gave prizes or time to the event. ## St Mary's Church, Halstock

This will be a showcase for local community ventures and a chance to thank those members of our community who do so much to enrich our lives in different ways. All are very welcome and we look forward to seeing you.

## Royal British Legion

The Legion does not meet again now until September but don't forget that on Sunday 28<sup>th</sup> August the, now annual, Garden Party will take place at Wooden Cabbage in East Chelborough,.

This event raises funds for both the Legion and St James Church. For details and tickets please see the separate advertisement in this issue.

Preceding the Garden Party, on the Bank Holiday Saturday, August 27<sup>th</sup>, the Halstock Fete and Flower Show takes place and we hope to have a Royal British Legion marquee at this event. So why not come along and have a chat to the members manning the stall.

### **Women's Institute**

Halstock W.I. held the June meeting at the home of Alison Smith. Members were dressed in Garden party finery, including decorated hats, but some of the meeting was held in Alison's conservatory as the weather was uncertain.

Following the minutes a very interesting and informative report of the AGM in Liverpool was given by the delegate.

Arrangements were made for the July outing, a boat trip and supper from Maunsel Lock at Bridgewater.

Smoked salmon was then served followed by strawberries and cream and wine after which members enjoyed a wander around the lovely garden. Alison was thanked for a very enjoyable evening.

The next meeting will be on Monday 26<sup>th</sup> September.

### **Village Hall News**

As you will know if you were at the AGM, the Hall is getting a new cooker which is very kindly being donated by the Pot Luck Lunch Club. We hope to install this during August so it will be ready when Pot Luck Lunches start again in September.

The Hall Committee has been approached by a firm who run a mobile fish and chip van and they would like to operate from the Hall car park. Their plan would be to come on a Thursday evening and be open between 5.30 and 7pm. Before the committee make any decisions regarding this proposal, I would like to get the views of the village. So please let me have your comments, as soon as possible, as they would

like to start during August if they are given permission – Peter Brinck 01935 891822.

On August Bank Holiday Saturday one of the bigger annual village events takes place at the Hall, the Fete and Flower Show. This year it looks as if both these events are going to be bigger and better, so pick up an entry form for the Flower Show from the shop, put in your entries and have a really enjoyable day.

One final request the Village Hall car park is, on occasions, used by people with horse boxes, firstly would you please check with the bookings secretary, Mrs Trish Manning 01935 891394, to make sure that the Hall has not been booked for a function that will require the use of the car park on that day. Secondly, should the car park be fouled by the horses would you please clear up before you leave as there have, on occasions, been complaints from other users of the hall regarding the state of the car park.

### **Sponsored Blood Donation** for The Somerset & Dorset Air Ambulance

In last month's Chimes I said that so far I had collected about £300 for my sponsored blood donation. I can now report that I have sent a cheque to the Dorset and Somerset Air Ambulance for £465.50. Once again I would like to thank all the people who sponsored me in this venture. Peter Brinck, Pahaska, Adams Green, Halstock.
