Hymns and Pimms at St Mary's

A great attendance (over 70 people) at a Special Service of singing favourite hymns on Sunday June 6th, while sipping a glass of Pimms. A wonderful range of songs and reasons for choosing them. For some there were memories of a wedding or friendship or time in the Forces or a special meaning in their Christian faith. For others, it was just because they liked the tune and the words. Thanks to the musical lead from the Jevons Family (friends of Emily Rendell who coordinated the music) and other musicians and to Sarah Mitchell (new Church Warden) for co-ordinating the many requests for hymns to be sung. Sorry they could not all be sung – keep them till next year! People did not want to leave

at the end of the service – perhaps the liquid refreshment helped.

Tuesday Club

I am happy to report that both of our July events were very successful and enjoyable. The Cheese and Wine party, kindly hosted by Dick and Jenny Thorne, who worked very hard to make it such a lovely evening, raised £210 for the Club. Thank you both.

Our annual Cream Tea, held at Milton Brook, raised £267.30 which has been donated to Weldmar Hospicecare Trust. Our appreciation goes to Celia and Andrew for letting us use their garden year after year.

The final thank you goes to those who helped in any way and those who came along and supported us.

Our meeting on September 7th is the craft afternoon at the village hall at 2:30pm and do not forget the skittles evening will be in October – details to follow. Heather.

Corscombe Needs You!

We have been promised “a radical shift of power from Westminster to local people.” Are you ready? In 1994 the Corscombe Parish Plan was produced (do you remember writing your comments on yellow post-its?). Some ambitions were realised: some are still in limbo. A new, revised Plan is in the pipeline, consultations starting in October.

Corscombe News

The Bridport News, a newspaper that has interested Colin & I for many years, has asked if someone from Corscombe could report on the Village occasionally. I will endeavour to take this on, but would like another interested party from the Village to assist me. Anyone in the know regarding events, births, marriages, deaths, or indeed any happenings within the village, please contact me.

If at times I am unable to fulfil this, let me know if you can help. They would also like photos.

St Mary's Church, Halstock

A big thank you to everyone who worked so hard to make our celebrations at St Juthware's Festival so successful. The Nursery Rhyme depictions were very inventive and were great fun. Especial thanks are due to Allison Rees for all her hard work in organising the "Halstock's Got Talent" evening in the Village Hall and for attracting such a talented bunch of entrants. The food and drink were good and everyone had a really good evening. Thank you also to the ladies who worked in the church "Cafe". The

service on Sunday morning was well attended and was a fitting culmination to our celebrations.

In this month's timetable of church services you will see an alteration to the pattern of our services. **Evening Prayer** will be on 2nd Sunday of the month and **Sunday Club and AAW** on the 4th **Sunday**. This pattern will also be in place for November and December but not for October which is the month for our Harvest Festival and Thanksgiving service.

We shall be having a **Church and Churchyard Clean Up Day** on **Saturday 18th September**. Please come along **between 9.30am and 3pm** for as long as you can and bring tools, dusters and polish with you. Food will be provided at lunchtime for all workers. Having managed to get the roof and floor repaired, we have to ensure that the village church and churchyard are kept in good order and the more people who come the easier the load.

Finally we were all saddened at the death of John Sowden, former churchwarden, who worked so hard at keeping the church building in good order and who enhanced our services with his lovely tenor voice. He will be very much missed by us all. Our thoughts are with Barbara and his family at this time.

The charity "The Friends of St Mary's Church, Halstock" is looking for a volunteer to join its Executive Committee as Treasurer to relieve pressure on Rosemary Bawn, so that she can concentrate on her much busier role as Treasurer to the PCC. "The Friends" are an entirely separate organisation to the PCC and exist to provide financial contribution towards maintenance of our church building and its assets. We are now on the first step of the path to achieving a more regular income and so the work load has increased but is not onerous and Rosemary will remain available to offer advice if required. If you would like and feel able to fulfil this role as part of a lively and business-like committee working hard for the community towards this worthy end, then please give our Chairman, Mike Clark, a call on 01935 891331.

Women's Institute

Halstock's July meeting took us around the world with food, seven different countries were represented with traditional food.

There were the usual few minutes of business when future events were discussed, including the meeting on 27th September which will be an Open Meeting when the entertainment will be provided by Bonny Sartin and our forthcoming Mah Jong Day on 23rd October.

The meeting continued with a competition and then everyone enjoyed the wide variety of foods and flavours of the various countries ending a very enjoyable evening feeling well fed!

Royal British Legion

The next meeting of the Royal British Legion will be held on Tuesday 14th September at 7.30pm at the Rest & Welcome. This is the first meeting after the summer break and we will be setting dates for the next year's events so please do try to attend. We are a very small but friendly branch and we are always looking for new members, so why not come and join us, you would be made most welcome.

The 2010 Royal British Legion Hog Roast

The accounts for this year have now been finalised. A total of £736.74 was made for the Poppy Appeal. The branch would like to thank all those who came to the event and of course all those who helped, especially the kind folk who provided the wonderful salads, floral decorations and help in so many other ways.

Mah Jong Day at Halstock Village hall on October 23rd from 10am – 3pm.

Village Hall News

The Annual General Meeting of the Village Hall was held on July 12th. This, I am sorry to say was not well attended with, apart from committee members, only three people attending. However, several items were discussed and on a positive note it was agreed to put in hand the replacement of the fascias and we have a start date of September 14th for this work.

We do not have enough money in the 'Improvement Fund' at present to cover this work so we will have to take some money from the general account to cover the cost. This means that we are still needing to raise funds and would be very interested to hear from anybody who may have any ideas as to how we can do this.

There was criticism regarding the way the hall is sometimes left after an event especially with regard to rubbish. On several occasions the caretakers are left with, what can only be called, a disgusting mess to clear up. We can only put out two black bags for the dustmen so please try to combine bags as often there are lots of bags with very little in each. All waste must be in bags, on several occasions the caretakers have had to empty all sorts of rubbish which has been put in the bin without any bag.

If there are large items left from an event or a sale which cannot be put into black bags these must be removed and disposed of by the hirer. As I have stated in the Chimes before, several halls insist that all rubbish is removed from the hall and charge a deposit which is not refunded if people do not comply with this. We do not wish to go down this route but if the situation does not improve it will have to be considered.

Bottles and cans is another issue which causes a problem. There are no recycling facilities at the hall for these and it would be very much

appreciated if users could put these in their domestic recycling boxes.

The walls of the hall are getting very marked and need to be painted. There has been a suggestion that a mural could be painted on the rear wall (the north wall leading to the changing rooms). We would like to have your comments regarding this and if you are in favour, what the subject of the mural should be.

Mini Maestros

Our Mini Maestros sessions have been going very well over this last year, the children have grown in confidence and fun. We are sad to say goodbye to three of our musicians but wish them well at school and their move. We are a small friendly group of Mums with babies, toddlers and pre-school children, learning to sing, beat rhythm whilst playing instruments, dance and listen to music – with puppets, soft toys and “What’s in the box? New littles are very welcome, come and join the fun!

Don’t forget Mini Maestros restarts on Wednesday 15th September.

Birthdays

Mollie Mae Crabb has a birthday on 3rd September, have a lovely day.

And....Beware the ‘L’Plates! Andrew Withers will be 17 on 21st September. We hope you have a fantastic time, remember M.S.M.

James (Jim) Pring 1925 – 2010

James was the second son of Thomas and Dorothy Pring of Harvard Farm, Halstock and in recent years he enjoyed reminiscing about his childhood there. On leaving school he took a job in a wireless shop in Yeovil, cycling in every day.

He was called up in 1943 and became a signaller in the RAF, serving some time in Egypt. He was unscathed in the war but afterwards lost half a finger in a motorbike accident on Portland Bridge at Halstock!

After the war when electricity came to this part of Dorset he learnt about the business, wiring many houses in Halstock and the surrounding area. It was said that he had been in more ladies’ boudoirs locally than any other man! He also wired the Church, before which oil lamps were used.

He was a great sportsman, motoring (he was a founder member of Yeovil Car Club), sailing, water skiing, skiing, swimming and walking, in later years following the beagles.

He was a much loved uncle, always interested in what was going on in the lives of the younger generation.

He lived with his parents at Harvard and Fernleigh and looked after them as they grew old. When they died he bought his own home in Yetminster. Jim and Janet were married on 10th June 1994, two days before his 69th birthday! This was a very happy time; he inherited a step-daughter Ann and became granddad to her two lovely daughters, Sophie and Philippa, of whom he was very proud.

His greatest love in later years was the Royal British Legion; he became Chairman of the local branch and after his initial anxiety he took it to heart and encouraged members to keep up the standard.

Jim’s last two years were made very happy by Dee’s companionship. They were together at the annual Royal British Legion Hog Roast at Halstock the day before he died peacefully on the settee at home.

The family thanks everyone for their love, support and help through this sad time, especially the British Legion members and all those who helped to give Jim such a great goodbye at his funeral service.
