FIRST RESPONDER TEAM

Thank you Thank you Thank you

Thank you for your brilliant and continuing support. The funds you provide enable us to deliver medical support to our community.

What we now need are more volunteers to join our team.

Is it scary? No! We are fully trained.

Is it dangerous? No! The ambulance service does not send us to cases where personal safety is at risk or to motor vehicle accidents

Do we make a difference? Yes we do! And it is great to put 'something back' into the community.
Will I end up over-run with work? No! You decide on a daily basis just what hours you are able to offer.

Why not contact us to find out more?

Geoff Williams (01935 891575)

Chris Chapman (0781 66 55 278)

Dick Thorne (01935 891 847)

We would be pleased to give you more information – without obligation.

CORSCOMBE AND HALSTOCK COMMUNITY FIRST RESPONDERS

By the time you read this we expect to be using the Raizer Chair in the community.

Our current project is the replacement of the Halstock and Corscombe community-access defibrillators. We should soon know how we have fared in the **Tesco 'Bags of Help'** project.

Our thanks to Corscombe, Halstock and District Parish Council – we are delighted to be awarded a grant of £500 towards the cost of replacing the community defibrillators as they come to the end of their life in September 2020 – our apologies that this was reported as £250 in the March edition of The Chimes

The Green Weigh

“The Green Weigh is a mobile zero waste shop supplying over 190 packaging-free loose and liquid foods, personal care and household products.”

Shopping today for example, I bought coriander seeds, coconut sugar, walnuts, and porridge oats. All were cheaper than packaged goods and excellent quality.

Take your own containers, or paper /cloth bags supplied.

They will be coming to Beaminster Memorial Playing Fields on Fridays between 12.30 and 2.30.

This is an exciting initiative being developed by 4 young mothers from Bridport, who want to help, with small steps, to reduce the plastic catastrophe threatening our planet

They are hoping to start a delivery service, and Corscombe is on a potential list, so if enough of us are interested perhaps we could organise a joint order?

More information and price list available on www.thegreenweigh.co.uk, Facebook The Green Weigh.
